## Basic Paragraph Web Sheet Format

Instructions in Italics

Basic 9 Type: Basic Example

A Paragraph sign

1. Supporting

Idea:

This sentence needs to support your topic.

2. Supporting

Idea:

This is another sentence to support the topic.

Topic:

Write the word or words that tell the subject of the paragraph.

3. Supporting

Idea:

Write a third sentence to support your ¶'s subject.

Make sure it tells what your ¶ will be about. Restate the title.

Sentence: (C.S.) This is where your concluding sentence goes. Wind up your ¶. Draw it to a close.

When all the circles & lines are filled in, write your 5 sentence paragraph on a separate sheet of paper.
